The following is a list of the
 names of the persons who have
 been named in the petition
 for the removal of the
 seat of the Government from
 Washington to the city of
 New Orleans. The names are
 given in the order in which
 they were named in the
 petition. The names are

The first thing I noticed when I stepped
 out of the car was the smell of the sea.
 It was a salty, fresh scent that I had
 never experienced before. The sun was
 shining brightly, and the waves were
 crashing against the shore. I felt a sense
 of freedom and adventure. I had come
 to the beach, and I was going to enjoy
 every minute of it.

I had heard that the beach was
 beautiful, and now I knew it was
 true. The sand was soft and white,
 and the water was a perfect blue.
 I had come to the beach, and I was
 going to enjoy every minute of it.

Underneath all, individuals,
I swear nothing is good to me now
that ignores individuals.

Walt Whitman

Principal William E.L. Donner

Our society places great emphasis on the worth of the individual. Respect for human personality is one of the fundamental tenets of our democracy. Each student has a right to grow to his full stature, to develop his potentialities through participation, and to share in a variety of activities. Individual differences need to be recognized and respected.

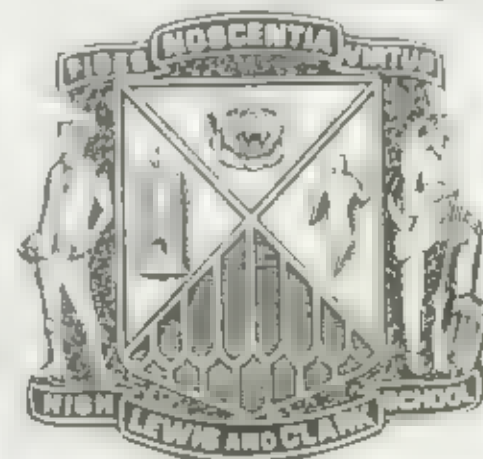

Your school endeavors to provide a challenging and meaningful curriculum along with many and diverse activities—all designed for the optimum "creation of the individual". A minimum of rules places considerable responsibility on each student to become self-directed. In our society, each individual should be free not only to think, to inquire, and to communicate without fear, but to direct himself in such a way that his behavior is for the common good.

I feel that the class of 1969 has demonstrated to a high degree the fact that they are self-directed. I compliment this class for its many contributions during the past four years. The hope of our nation—and that of the world—rests in the willingness of each individual to contribute and to participate as fully as he is able toward the understanding and betterment of mankind. I have every confidence that this class will make its contribution to that end.

Tiger Staff Creates "the individual"

LINDA TAKAMI
Editor

JIM SKADAN
Associate Editor

Seniors with journalism experience headed the 1969 TIGER Staff and were assisted by six juniors who joined the staff second semester. Changes this year included the new adviser, Mrs. Keigley, and the staff's new room with adjoining photographic facilities.

The TIGER was financed by 1500 orders sold by twenty salesmen, by the various clubs at LC who are pictured, and by advertising solicited by the staff members. The outstanding ad salesman was Randy Brandt who was awarded the Second Award.

Under the leadership of presidents Steve Conley and Chris Majer, the senior class sponsored the traditional Pumpkin Caroling and Club '69. Through the efforts of the spring officers the seniors were able to add a senior lounge.

The last weeks of school before Commencement will include the traditional breakfast, barbecue, and prom.

DAWNELLE SHAW

"Walk Together Talk Together . . ."

I cannot tell in a few lines all my feelings toward this marvelous Lewis and Clark, and all the extraordinary experiences I have had in the friendly city of Spokane.

I want to thank all those who made this year possible, to my American teachers, and especially, to all this school, where I've spent one of the happiest years of my life.

The students that have come before me, and those who will come after me, joined in the high ideals of the American Field Service, can understand and know how much truth there is in the A.F.S. motto:

"Walk together
Talk together
All ye people of the world. . ."

It is my desire that all who will come, can find as happy a year as mine has been at L.C., with its glorious traditions and its rich spirit. I wish for all the friends I have found here, a brilliant future and a happy tomorrow in this great nation.

I won't forget the miracle of the snow, the pine-covered mountains and the beauty of this Pacific Northwest.

Juan Javier Negri

Tiger Power comes easy to Kjell Torngren, student from Sweden, and Juan as they show their Lewis and Clark spirit. Both students are active in the American Field Service and other clubs and activities.

I am
 I am one year
 was and all that
 was said about our
 friendship still holds
 true. I hope you never forget
 me when you're in Nevada. Maybe
 someday our paths will once cross again.
 I'll get a hold of me and find out
 how to get a hold of me. I want to wish
 you all the success in the world in what
 ever you decide to do. I have very ambitious
 and have a few dreams to become
 some one important.
 I'll be forever.

Who Killed Adam's Apple?

"Who Killed Adam's Apple?" the annual Junior Con, was finally presented after many delays. Under the direction of Laurie Hutchison and Dan Close with Mr. Skinner as faculty adviser, the con gave every junior who was interested an opportunity to participate. Despite the problems, interruptions, and criticisms, the con helped to unite the junior class and provide funds for next year's activities.

Jim

Jim -
Well, even
though we got
"spit up" our last year
here, it sure was fun while
it lasted. We should still
have a "Hopkin's Homeroom Reunion!"
This semester in English 8 hasn't
been as much fun,
but we did get
to see each other
again. You're really
sweet .. don't change, okay?

Have lots of fun next year
and Good luck always

[Faint, mostly illegible handwritten text at the top of the page, possibly a letter or a list of names.]

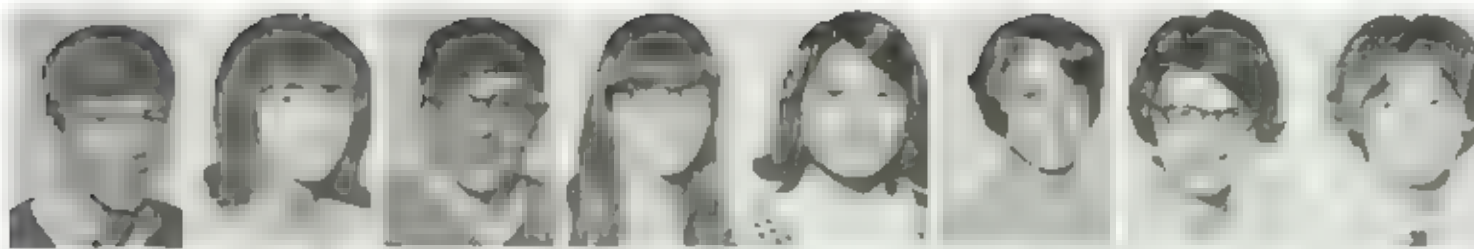

[Faint handwritten notes in the middle section, including the word "secretary" and "Good look".]

Jim,
 After knowing you for
 the past few years I'd like to
 say that you are a real great guy.
 It wish you would be around working
 managor again this year. Love. Luck
 always

Associated Student Body Officers

The Associated Student Body led off this year with the annual Hello Week. The "Wizard of Ahhz" theme was carried through the week with the "Yellow Brick Trip" mixer to top it off.

Spirit was stressed by the ASB through such projects as the car decorating contest and the annual taffy sale.

At Christmas time the ASB held a door decorating contest. Each homeroom tried to come up with the best Christmas season decorations for their door. This added gaiety to the halls as well as competition between the rooms.

For the second year in a row, a joint Inaugural Ball was held with Ferris High School. The affair was to honor the fall and spring ASB officers of both schools. "Scarborough Fair" was this year's theme and the event was held at the Gonzaga Student Union. Another annual affair held in the spring was May Week.

The ASB also worked on amendments and something new this year, a Student Sounding Board. This board was composed of two representatives from each class. The panelists hear and discuss any problems that are connected with the school. This proved to be very successful.

Through this year we have had changes, new programs, and social functions. One man who deserves a lot of thanks is the council adviser, Mr. Sevadjan. This was his first year of working with the council and he has done a tremendous job. Close contact between Mr. Sevadjan and the council helped them initiate many new projects.

Cooperative action was emphasized in this year's Girls' and Boys' Federations.

An original "Dating Game" sponsored by both Federations was their first joint project this year. The winners were treated to an evening out.

The Dad-Daughter-Son Dessert with the theme of "Pops Are Tops in 68" was presented. Refreshments preceded the entertainment which included songs, skits and a wrestling exhibition.

The next combined effort was the "Penny Drive" and Christmas Mixer, "Frosty Haze." The winner of the week's competition was announced at the mixer. This year the girls won but only by a narrow margin.

The Girls' Fed. had many activities on their own. The annual Big and Little Sister Party was held a week before school started. This party gave the new girls coming to LC a chance to get acquainted with each other and the school. Other projects were the costumed Halloween party where prizes were given for the best costumes. "Happiness Is A New Friend" was this year's theme for the first Marycliff-LC after school party.

A weight lifting con was sponsored by the Boys' Fed. with the proceeds going to buy new weight lifting equipment. This year the Talent Con was also presented as a money raising project. The show was entitled "The Deputy Hula Show" and had a cowboy plot.

Activities such as these have created a further interest in the Girls' and Boys' Federations.

Hello Week Features Ahhz

"Wizard of AHHZ" was this year's Hello Week theme during the week Sept. 16 - 20.

Student participation was emphasized and the "AHHZ" theme, a take-off on THE WIZARD OF OZ, was carried out all week. It began with Rainbow Day which included a con called "Somewhere Over the Garbage and the Flowers" depicting the Wizard of Oz and announcing the royalty. This year's friendliest students were Sue Kopczynski and Bill Long, freshmen; Julie Kopet and Mike Loft, sophomores; Jeanne Herron and Biff Long, juniors; and Joni Conklin and Tom Self, seniors.

Tuesday was Dorothy Day in which the boys became slaves of the girls doing such jobs as carrying books, tying shoelaces and sharpening pencils. However, on the following day, Tin Man Day, the tables were turned and the girls became servants of the boys.

The teachers had their own day, Scarecrow Day, when they were honored. Munchkin Day concluded the week with an evening mixer entitled "Yellow Brick Trip." As a grand finale Queen Joni Conklin and King Biff Long were crowned the "friendliest of the friendliest."

News Is Their Business

"Journal Reigns Supreme" was the slogan voiced by The Lewis and Clark Journal staff this year.

Publishing the newspaper 20 times during the year, it taught students an invaluable lesson not only in the practical side of journalism but in responsibility, leadership and working together.

Holiday fun was also brought into the spirit of the staff. Get-togethers included a New Year's party, a sledding party, soccer games in the spring, and other events celebrated during their staff period.

Bookroom

Providing special services for students and teachers was the main concern of the bookroom this year. Bookroom helpers learned general office procedure and clerical practice which will aid them in future vocations involving clerical work. Mrs. Dorothy Solin was the bookroom adviser and manager of business supplies.

Behind the scenes of every rehearsal and final production this year was the hard work of the stage crew. Stage lighting, managing audio equipment and setting props are some of the various jobs done by the crew. A new audio panel was constructed by Kirk Peters and Frank Hornby to improve the amplifying and sound system in the auditorium. As experts in the field of stage lighting, the crew also set the lighting for several school mixers and did general stage work for Minstrel Show. This year's adviser was Mr. Bernie Bunn and head stage manager was Kirk Peters.

"Spirit Is Their Most Important Product"

There was a new look to the Ti-Girls this year. New uniforms were the biggest change in the appearance of the organization since 1954 when their uniform was then completely redesigned. The style of the new dress uniform was generally the same as in past years.

Ti-Girls, under the direction of Miss Virginia Danke and Miss Sonja Roach, also performed at the league football games. Their first most important performance was a lighted stunt honoring the Shriners and the Shrine Hospital. They also marched during the Baseball Parade, commemorating the Spokane Indians, and the Lilac Festival Torchlight Parade.

Promoting school spirit was the main concern of the Ti-Girls. They were active in stimulating student participation during pep cons and at all athletic events.

Some of their annual activities and events included the Goal Post Gallop, honoring the football team, the Ti-Girl Con, the Spring Mixer, and the fall and spring luncheons announcing the new officers and new members.

Running Ability Guides LC To Third

MIKE CLARKE: Captain and Hammerslaughter of the Year

JAY NICHOLS: Inspirational Award Winner.

Rushing was the main feature of the 1968 Tiger football team. The offense's big threat was the running of Steve Conley, Jay Nichols, and John Etter. The defense excelled in clogging the rushing attacks of its opponents. This combination gained LC third place in the City League, with a five and four record, behind champions Gonzaga and Rogers.

Both the offense and defense finished high in many of the league team statistics. The offense was third in yards gained rushing (1,786), third in least yards lost rushing (208), and third in net yards rushing (1,578). They were second in least yards penalized (279). These factors of fine running and few penalties added up to a ball-control type of game. They also kept the pressure on when the defense allowed a score by being third in kickoff return yards (439). The offense also helped the defense by placing second in punting average (32.6 yds. per kick).

The defense was effective in stopping the other teams' rushing. They were third in least rushing yards allowed (1,578), third in least net rushing yards allowed (1,391), and third in least net rushing and passing yards allowed (2,114). After a poor start, the pass defense improved enough to finish second in least passes attempted against them (116) and second in least pass completions allowed (54). The pursuit against the kick return was especially effective. They were first in least punt return yards allowed (15) and third in least kickoff return yards allowed (352). The defense helped get the ball for the offense by placing third in least first downs allowed (108).

All-State Mike Clarke (also his second All-City year), and All-City seniors Steve Conley and Bill Oaksford, and juniors John Etter and Rick Maras provided the core for this year's Tiger team.

Mike Clarke was chosen as a linebacker on the 1968 All-State team. For All-City he was chosen for line backer and center and was honorary captain of the Chronicle team. As the captain of LC's team he played both offense and defense. A sure tackler and fine blocker, he was the leader and kept the team together during the toughest games.

Steve Conley, another two-way player, was picked for both a running back and defensive back. Steve had the most net yards rushing for LC and was the most consistent defensive back on the squad.

Quarterback John Etter had a good year at that position but was selected as a running back. He carried a good part of the offensive load, finishing first in the league in rushing carries (153), touchdowns (9), and scoring (65 pts.). He was second in total offense (1,037 yds.) and total offense average (115.1 yds. per game). He also handled the punting, finishing second in punting average (32.6 yds. per kick).

Rick Maras played both ways and was picked for offensive guard. He led a great many of the running plays and was solid at his linebacking spot. Rick injured his knee in the Shadle game, but was back soon to play well the rest of the season.

Bill Oaksford, an honorable mention guard, was another two-way player. A good offensive blocker, he was a truly tough defensive nose guard.

Winning Season Highlights Seniors' Final Effort

The seniors of the 1968 Tiger football team were large in number but also largely unnoticed outside their own school. While three of them (Mike Clarke, Steve Conley, and Bill Oaksford) did make All-City, and a few were seen in some of the statistics (Conley and Jay Nichols were high in rushing, Tom Greene was up in pass receiving, and Dave Nail led the league in pass completion average, throwing two passes and completing both), most went unnoticed because they played on the defensive team and on the offensive line.

Mike Clarke, Bill Oaksford, Mark Johnson, Bruce Donner, and Jim Skadan were in the heart of the line and formed the backbone of the offense.

On defense it was again the line and linebackers who were consistent. Oaksford, Skadan, Johnson, Chris Kerr, Virgil Gentry, Tom Greene, and Paul Nelson all played a great deal on the line. Clarke and Jay Nichols led the linebackers. Conley, Nail, and Greene were the leaders of the defensive backfield.

Thus it can be seen that the seniors of this LC football team were the main reasons for a winning season.

The B-squad had a great year finishing second to Gonzaga. They tied the Bullpups only to miss a share of first place when they lost to Shadle in the last game.

Coach Gene Sivertson said of his team, "...the 1968 B's were above average ability-wise and academically. They were one of the most willing groups I have ever worked with. I would predict a bright future for this group as they move to varsity level."

Some of the usual starters who played both offense and defense were Bob Denham, Al Harkey, Mike Loft, and Steve Sly.

Coach Pete Wertz studies a rough game scrimmage.

Frosh Gridders Share First Place

Frosh football is often a boy's first high school athletics and many times the boy will not have played tackle before. For these reasons it is a very demanding job to coach this team. Head Coach Bob Scott and his assistants Pat Pfeifer and Larry Thompson did a remarkable job with this year's group.

The frosh tied for first with Ferris, losing only to that team. Coach Scott described his team as not large but real quick and as having a real good attitude. He also said that there were about twenty "truly outstanding" players on the squad.

Assistant coaches Pat Pfeifer (left) and Larry Thompson (middle) were invaluable in helping Head Coach Bob Scott lead his team to the frosh football city title.

Coach Jim Speer, in his first season at LC, guided his team well in heavy competition

With only three returning lettermen, the L.C. Cross-Country team took second in the All-City Meet and sixth in the State Meet.

Highlights of the season were provided by senior Phil Burkwist who capped his sensational career by taking second in the All-City Meet, third in the State Meet, running the fastest three-mile (Comstock record), in the city of 14:27, setting a record of 9:28 in the senior division of the Highland Invitation, and being elected captain and inspiration award winner of the team.

Other bright spots were a first by Dave Vander Meer, in the 9-10 division of the Highland Invitation, and a first by Shane Sorey in the Frosh All-City Meet with a record time of 10:54. Allen Schurman was second in 11:08.

Coach Speer, quite pleased with this year's team, reported that he looks forward to next season.

The LC varsity team is losing three fine seniors in Phil Burkwist, Paul Fenske, and Allen Tufto. Burkwist, a four year letterman, will be remembered as one of LC's greats. Fenske, a two year letterman and definite factor in this year's team success, ran at numbers three and four all year. Tufto, a first year runner, also ran at numbers three and four and placed high in the state meet competition.

A good turnout, lots of desire, and a sincere attitude led the LC B-squad cross country team to third place in the All-City Meet with 92 points. In City League competition, led by Dick Fredekind, they finished with a 3-2 record.

Their placing in All-City and their league record is a reassuring factor for the future success of LC's cross country teams.

The combination of girls' and boys' varsity tennis teams prospered well in the All-City Tennis Tournament last fall.

In claiming three championships, the Tigers grabbed the boys' singles, girls' doubles and mixed doubles. Semifinalists in mixed doubles and boys' singles gave LC the over all team title with seventeen points out of a possible forty-two.

City League competition brought a pair of ties to the boys' and girls' teams. The boys tied for second with a 7-3 record, while the girls tied for first with a 3-1 final standing.

Mr. Stopher and Miss Roach, team coaches, have high hopes for next season. Their promising B-squads hold the key to next year's repeated triumphs.

B-Squads Show Contrast in Records

Led by Ted Kozen and Bill Walter, the boys' B-squad tennis team compiled the best record among city teams, (7-0). Coach Weed believes his team will be a major factor in carrying on the LC tennis success.

The girls' B-squad had a limited season, both in experience and showings, (played three matches, won zero), but strong points were seen. Chris McClure, their number one player was a strong feature all fall. Other players are expected to improve next spring.

Tiger Cagers Have Tough Year

Head Coach BOB SCOTT checks his post men down-court, as Assistant Coach PETE WERTZ watches the guards break a Gonzaga press.

Co-Captain

RON ASHE, after beating Craig Hallett of Ferris, starts his drive to the hoop. Ron dribbled through opposing full court presses all year

It was a year of frustration for the Tiger roundball players. A young team, they had some minor problems with injury, sickness, and players coming on and leaving the team. But the major problem seemed to be the lack of scoring ability. It was also difficult to get four quarters out of the team in one game. But they never gave up! They fought down to the wire in each game.

The starting fives stayed relatively stable, but only junior Curt Donner started every game. The rest of the usual starters were seniors Bruce Stedman and Ron Ashe, junior John Etter, and sophomore Chris Appleton. Donner, Stedman, and Appleton played in every game. In shooting, Stedman took the most shots (220), Etter had the best percentage (38.4), and Stedman also led the team in baskets made (69). Among the regular starters, Stedman led in free throw percentage (67.7). Curt Donner had the most free throws (81) and he made the most (50).

In scoring Bruce Stedman led with 180 points, but John Etter had the best average (15.5 per game). John was third in the league scoring with 14.3. Curt Donner led the team in rebounding (181).

Wertz Has Best Year As B Coach

Coach Pete Wertz directs play during B-squad practice.

Ends Third In League; 10-5

"The best group of fourteen kids I've seen in 20 years." This is what Coach Pete Wertz said in talking about this year's B-Squad. A remarkably versatile group, the B-Squad had a good year in a tough league. Mr. Wertz chose his starters from twelve different players and started different fives with equal success each game. This provided tremendous bench strength.

"This whole team had a desire that was fantastic," said Mr. Wertz. But during Christmas the team was broken down by the flu and later on in the season they lost John Sams with a broken hand and sharpshooter Chris Camp went to the varsity.

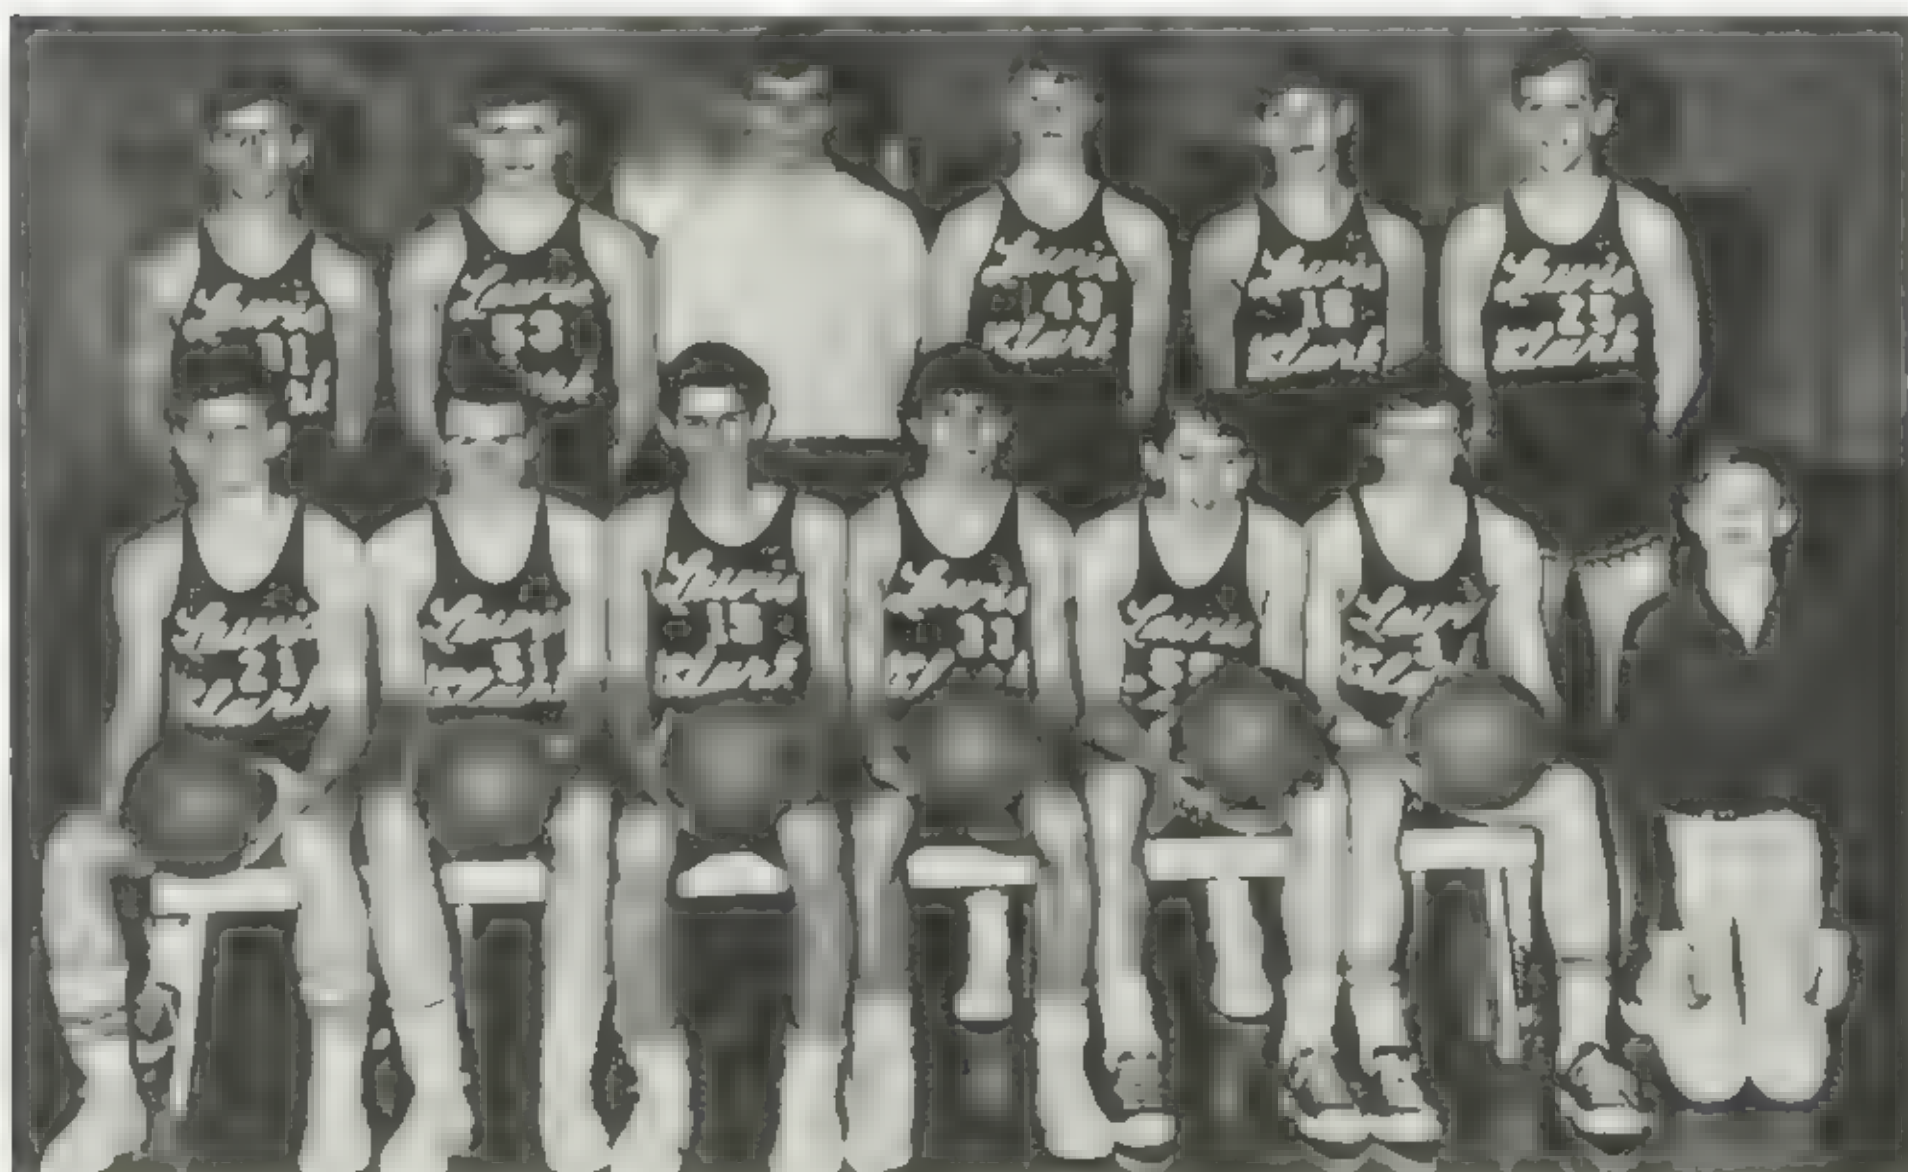

A real quick team, they seldom used the fast break because of the lack of tall men to get it started. Mr. Wertz felt that the boys were rapidly improving at the end but never reached their full potential.

Losing four games by a total of twelve points and lacking in height (the tallest man is 5'11") the LC freshmen came on strong enough to be acclaimed "the best team in the league, at the end of the season" by their coach, Mr. Ed Kretz. Led by a group of tough seniors and two truly accomplished juniors, the Tiger mat team roared back from a shaky start to grab third place in the City League.

In the first half of the league season they had trouble and lost three out of four. In the Rogers match, Skip Elliott beat Mike Kondo to start one of the most intense rivalries of the season. The Ferris match was lost half an hour after the wrestling had ended. It took a video tape replay of an early match to decide the final winner.

After the disappointment of the Ferris loss, the team began to fire up. They started out the second half with a stunning upset of tital-hopeful NC. In the Rogers match, Elliott and Kondo tied. The season and third place came down to the Ferris contest. With the score virtually tied, John Thayer upset undefeated Jim Hendricks. From there the Tigers won the next two, the match and third place.

In the sub-district meet (held at LC), the Tigers took fourth place. Bob West (115 pound class), Randy Maras (123), Pat McRae (136), Steve Sather (141), and Bill Oaksford (157) took fourth places. Finishing third were Mike Powell (148) and John Thayer (168). In the finals, Skip Elliott (130) lost to Kondo, three to two, for his first loss of the season. Also in second was Bruce Donner (194), who lost to Andy Haynes of Rogers, six to nothing. The only sub-district champion was Rick Maras who defeated Steve Thew of Rogers, three to one, in a great match.

The Tigers had ten men in the Tri-District meet. At the end, four had placed and LC had finished fifth (with 33 points to winner Rogers' 83). John Thayer and Bruce Donner both took fourth in tough losses in the consolation finals. In the finals it was Skip Elliott and Kondo again. Tied at the end of overtime, Skip won the title on a close judges' decision. Rick Maras suffered his first defeat of the season in losing to Steve Thew, and thus placed second.

In sending two men to State, LC had one of its finest years in wrestling. Both Rick Maras and Skip Elliott won three straight matches. In the finals, Maras lost to Bill Murdoch of Kent Meridian, nine to two. In the other match it was Elliott and Kondo once again. This time Skip lost to Kondo five to four in a superb match. Together, Maras and Elliott accounted for 21 points and fifth place (to winner Columbia River's 39).

Coach Virgil Wickline summed up the fall season by saying, "The team was very inexperienced but had a great attitude. I hope that next year they will be more experienced and will do well." And with that encouragement the spring season is expected to show improvement.

There were some dual meets and two all-city contests for the best teams from each of the city schools.

Young Squad Splits Early Games

Even with a broken foot, Coach PETE WEITZ can demonstrate to GIL GRIFFITHS a proper way to get a more level swing

With only five seniors but nine returning lettermen, the Tiger baseball team looked forward to a good year. A young but experienced team, during the first six games, the only seniors who started were Paul Nelson and Bruce Stedman. The team won its first three but dropped the next three. The three losses were all away from home. (Senior Mike Clarke broke his foot before any games had been played and expected to be back by mid-season).

In the first six games the hitting was good but the defense was not. Steve Bontrager and Jack Koentopp hit home runs. Jack's was a grand slam against Moses Lake. Coach Weitz felt that the infield had the most potential in the city and would greatly improve as the season went on.

Experience Of Trackmen Keys

1969 Hopes

The new head coach, JIM SPEER, supervises and directs the team's workouts and schedule

Assistant coach, JACK STATE, watches and helps in all events.

The prospects for the 1969 track season are good with eighty athletes out for varsity and B-squad and forty out for frosh team.

With the many returning lettermen LC should fare well in city competition. The team's strong points should be in the sprints with Tom Greene, distance events with Phil Burkwist, Mike Bensen, Al Tufto, Bob Hindin, Paul Fenske, Sid Nicholson, Dave VanderMeer, and two outstanding frosh, Allen Schurman and Shane Sorey.

All other events have one or two returning lettermen, with Dave Nail in the pole vault, Larry Hamm in the broad jump, Steve Conley in the shot put, and Gery VanderMeer and Paul Franklin in the hurdles.

The balance in these events will be made up of potential varsity and B-squad members.

The city league outlook according to Coach Speer is "a well-balanced league with no team having the edge in dual meets"

The team's best long distance man, PHIL BURKWIST, suffered an early injury but is expected to compete in later meets.

Jim
You're
managing to work
a way into everyone's
lives now a day. (Caleb
the punk). You're a real
small guy and I hope our paths
cross in the future
lots of luck

Jim,
It been
fun having
you as a Seneca
honoree again.

Jim,
I started
this year to
say but didn't
get to finish so far.
I had a chance. It is
hard to put into words
all the things we have done
together. I could close!
All kids (mine and yours)
and Mary (my room)
etc. You I will always
remember you as my
speech teacher. I will
always tell you I will
our home room.
I'm sure

Morning Reaper

Under the dark shadow of a willow
I enveloped her in my weary arms
And kiss her curious, trembling lips
Powerful in the realization that I am
the first,

Yet faintly stabbed with the kindled
Sense of loss
knowing that I will not be the last.
Jim White
